

Track Cycling Nations' Cup

The UCI Track Cycling World Cup consists of up to six competitions held over a track cycling season. The racers collect points depending on the ranking in each discipline. Until 1998 there was no World Cup ranking of disciplines. From 1993 - 2010/11 the official name was Track cycling World Cup Classics. In 2021, the Track Cycling World Cup was replaced by the Track Cycling Nations' Cup.
