² 2 km³ 2 km⁴ 1 mile (1.609,34 m)⁵ until 1905 French citizen⁶ JOHNSON Victor GBR suffered a punctured wheel shortly after the start and retired. The other three riders crawled around the track, jockeying for position. When the final sprint occurred on the last lap, KINGSBURY Clarence GBR also punctured a tire when entering the main straight. JONES Benjamin GBR and SCHILLES Maurice FRA raced to the finish line, with Schilles winning by a couple of inches. However, the race took longer than the 1 minute 45 second time limit and was declared void.⁷ MERKENS Nikolaus Anton „Toni“⁸ 920 m⁹ PLOOG Richard Francis „Dick“

¹⁷ Russian Olympic Committee athletes at the 2020 Summer Olympics; This is the outcome of a decision by the World Anti-Doping Agency (WADA) on 9 December 2019 banning Russia from all international sport for four years, after it was found that data provided by the Russian Anti-Doping Agency had been manipulated by Russian authorities with a goal of protecting athletes involved in its state-sponsored doping scheme. As at the 2018 Winter Olympics, WADA would allow individual cleared Russian athletes to compete neutrally under a title to be determined (which may not include the name "Russia", unlike the use of "Olympic Athletes from Russia" in 2018).
