

Beach volleyball World Cup (defunct)

In 2010 the FIVB starts the Continental Cup in all its five continental confederations as a qualifying tournament to the Olympic Games 2012. The five national federations winning their Continental Cups together with the Gold medalist federation of the Olympic Games und those federations having qualified the maximum of two Olympic places compete in the World Cup final. The participating national federations are limited by ten per gender.

There was one edition only: 2013, May 29 - Jun 02 in Campinas BRA.
