

FIVB Beach Volleyball World Tour (defunct)

The FIVB Beach Volleyball World Tour is a series of beach volleyball tournaments around the world. In 1987 (Feb 17-22) und 1988 (Feb 20-28) there was only one tournament played, the Brazil Open in Rio de Janeiro. From 1989 onwards the number of tournaments rises to 16 tournaments in 2005. Since 2013 the World Tour comprises the 10 Grand Slams and the World Championship only.

The FIVB releases an official World Tour ranking since 1993.

The FIVB Beach Volleyball World Tour was replaced by the Volleyball World Beach Pro Tour in 2022.
