The **International World Games Association (IWGA)**, founded in 1981) organizes the World Games every 4 years. Thus, an International Sports Federation (IF) can become a member of the IWGA; it must satisfy two essential conditions:

- The IF must be a member of **GAISF** (the umbrella organization for all (Olympic and non-Olympic) international sports federations),
- Their sport does not belong to the current Olympic program.

Since 1989, the World Games are under the special patronage of the IOC.
